

# Capacity building and the transfer of marine technology

Harriet Harden-Davies PhD, Vanessa Ferreira Lopes MSc,  
Julia Schutz Veiga LLM, Marjo Vierros PhD

15 March 2023

BBNJ Webinar, IDDRI OFB

# Key messages

1. Capacity building and transfer of marine technology (CB TMT) is crucial for **equitable** and **effective** implementation
2. The CB TMT part of the Agreement provides **enabling mechanisms, institutional structures to give voice to** developing countries, and a **vision** for long-term outcomes
3. Now efforts turn to CB TMT for **ratification and preparing for implementation**

What was achieved?

- First over the finish line
- Essential for equitable and effective implementation
- Step forward for CB TMT

# CB TMT in the BBNJ Agreement

## Part V: Capacity Building and The Transfer of Marine Technology

- Objectives (Art. 42)
- Cooperation (Art. 43)
- Modalities (Art. 44)
- Additional Modalities (Art. 45)
- Types (Art. 46)
- Monitoring and review (Art. 47)
- Committee (Art. 47bis)

## Parts I, II, III, IV, VI, Annex II

- Definition
- Clearinghouse mechanism
- Funding

# What does the BBNJ Agreement provide?

1. What is capacity building and the transfer of marine technology?
2. Why is it essential?
3. How will it work in practice and who will be involved?

# Where to now?

Ratification and preparing for implementation

Needs assessments

Measuring quality

Pipelines for pools of experts

Clearinghouse mechanism

Funding

# Summary

- CB TMT essential
- BBNJ Agreement is important step forward for CB TMT: voice, vision, and enabling mechanisms
- Efforts now turn to support for ratification and preparing for implementation

# Thank you
