

Programme: Developing decarbonisation pathways for industry to inform a Just Transition in South Africa, aligned to net zero by 2050

Programme director: Reitumetse Molotsoane

Date: 19 May 2021

Time: 14:00 - 17:30

Time	Topic
Plenary (14:00 to 15:45)	
14:00 - 14:10	Opening and welcome: <ul style="list-style-type: none"> Joanne Yawitch: CEO, NBI
14:10 - 14:40	Inputs from South Africa, Presidential Climate Change Coordination Commission and the European Union (EU): <ul style="list-style-type: none"> Mrs. Nomfundo Tshabalala: DG, Department of Forestry, Fisheries and the Environment Dr. Crispian Olver: Executive Director, Presidential Commission for Climate Change Mr. Mauro Petriccione: Director-General at the European Commission's Directorate General for Climate Action
14:40 - 14:50	An example of how industry can play a role in the decarbonisation in South Africa: <ul style="list-style-type: none"> Joanne Yawitch: CEO, NBI Nolitha Fakude: Director and Chairperson of Anglo American South Africa
14:50 - 15:30 (5min Introduction by Joanne Yawitch & 5min response from each ambassador)	Panel discussion with EU and Member State Ambassadors, facilitated by Joanne Yawitch: <ul style="list-style-type: none"> H. E. Dr. Riina Kionka, EU Ambassador to South Africa H.E. Tobias Elling Rehfeld, Ambassador of Denmark to South Africa H.E. Martin Schaefer, Ambassador of Germany to South Africa H.E. Han Peters, Ambassador of Netherlands to South Africa H.E. Håkan Juholt, Ambassador of Sweden to South Africa Ms. Annukka Saari, Senior Specialist Finland Ministry of Economic Affairs and Employment
15:30 - 15:45	An example of the iron and steel sector decarbonisation pathway for South Africa highlighting the implications of, and opportunity embedded within, industrial transitions: <ul style="list-style-type: none"> Steve Nicholls: Head of Environment, NBI Hilton Trollip: DDP South Africa Lead
15:45 - 15:50	Break
15:50 – 17:00	Breakout sessions: <ul style="list-style-type: none"> Steel Cement Chemicals
17:00 - 17:30	Co-creating a way forward with an emphasis on the need for a Just Transition: Joanne Yawitch: CEO, NBI Sebastien Treyer: Executive Director, IDDRI

Programme: Developing decarbonisation pathways for industry to inform a Just Transition in South Africa, aligned to net zero by 2050 – Breakout Groups

Time	Topic
Breakout sessions (15:50 to 17:30)	
15:50 – 17:00	<p>Chemicals Breakout Session:</p> <ol style="list-style-type: none"> Facilitator introduction (5min): <ul style="list-style-type: none"> - Reitumetse Molotsoane, NBI NBI/ Boston Consulting Group Presentation- South Africa Pathways (15min): <ul style="list-style-type: none"> - Kesh Mudaly, BCG EU Counterpart Presentation- EU Pathways (15min): <ul style="list-style-type: none"> - Dr. Joerg Roethermel, Managing Director, German Chemical Industry Association Panel Respondents (3-5 mins each): <ul style="list-style-type: none"> - Kevin Baart, South African Petroleum Association (SAPIA) - Shamini Harrington, SASOL - Bill Ngo, Dow - Glen Malherbe, Chemicals and Allied Industries Association (CAIA) - CAIA Member Companies (2- 3 TBC)
15:50 – 17:00	<p>Cement/Building materials Breakout Session:</p> <ol style="list-style-type: none"> Facilitator introductions (5mins): <ul style="list-style-type: none"> - Anthony Dane, IDDDRI Collaborator NBI Presentation- South Africa Pathways (15mins): <ul style="list-style-type: none"> - Steve Nicholls, NBI EU Counterpart Presentation- EU Pathways (15mins): <ul style="list-style-type: none"> - Koen Copenholle, Chief Executive, Cembureau (15min) Panel respondents (3- 5mins each): <ul style="list-style-type: none"> - Deon De Kock, President, Sub-Saharan Africa and Middle East Region, FLSmidth - Jean-Claude Lasserre, Chief Executive Officer, St Gobain - Dhiraj Rama, Executive Director, Association of Cementitious Material Producers (ACMP) - Tshilidzi Ligabra, SHEQ Lead at PPC South Africa Cement - Elliot Mari, Engineer in Industrial Decarbonisation, ADEME - Bruce Paul, Group Environmental Manager at Concor Construction
15:50 – 17:00	<p>Steel Breakout Session:</p> <ol style="list-style-type: none"> Facilitator introductions (5min): <ul style="list-style-type: none"> - Chris Bataille, IDDDRI NBI/ IDDDRI Presentation- South Africa Pathways (15min): <ul style="list-style-type: none"> - Hilton Trollip, DDP Lead - Bryce McCall, IDDDRI - Dave Collins, NBI EU Counterpart presentations- EU pathways (10 min each): <ul style="list-style-type: none"> - Martin Pei, Executive Vice President and CTO at SSAB - Mr. Kimmo Järvinen, Managing Director of the Association of Finish Steel and Metal Producers Panel respondents (3-5 mins each) <ul style="list-style-type: none"> - Kobus Verster, CEO, Arcelor Mittal South Africa - Wim van der Stricht, CTO, Technology Strategy for CO2 and Circular Economy, Arcelor Mittal Europe - Charles Dednam, Secretary General South African Iron and Steel Institute (SAISI) - Tancrede Voituriez, IDDDRI - Gaylor Montmasson-Clair, Trade & Industrial Policy Strategies
